Extended Stay Lodging

EXTENDED STAY LODGING

For 50 years, Oakwood has been the leader in providing temporary and extended stay lodging to the public sector and private industry. Our experience and understanding helps the government traveler to meet their missions and objectives. Oakwood provides more effective and economical solutions than a typical hotel or suite hotel and is known for its exceptional customer service though unparalleled quality and hospitality. It is this exceptional customer service that we provide the government traveler with the Convenience, Value, Efficiency, and Security needs that make the Oakwood Difference, a home-away-from home.

VALUE

Because Oakwood is considered the largest provider of temporary housing in the world, NOAA TDY and PCS travelers can leverage their purchase value by tapping into Oakwood's vast network of lodging resources, even in non-core areas such as Newport, Oregon. In fact, Oakwood can utilize some of Newport's best extended stay accommodations in condominiums that would otherwise not likely be available to these travelers and can do so at or below per diem rates! These accommodations will include all of the important amenities:

- No deposit required (except for pets where allowable)
- Two to three times more space than a hotel
- Separate living, dining, and sleeping areas
- Internet access/ local phone calls included
- No hotel tax for 30+ day stays
- Housekeeping

SECURITY

- Oakwood understands that ensuring the safety and security of Military and Government travelers is a key priority.
- Oakwood provides essential travel information via secured web portals, as well as, providing secure facilities.

CONVENIENCE

- Single point of contact; a dedicated National Account Coordinator well versed in per diems and needs of the federal traveler
- Flexible arrangements even for those NOAA travelers who may not be authorized for extended stay lodging allowances

EFFICIENCY

- Efficient services to support government issued credit cards
